OUR  
with D...

**NIGHT SHIFT BREWING** is a modern, innovative, brewery and taproom located minutes from downtown Boston in Everett, MA. Along with producing delicious, award-winning beer on site, we offer 15-25 different varieties of beer, seltzer and cider in two unique event spaces. Prefer wine? In addition to producing our own wines, we are working with a series of collab partners to bring you fresh, new styles!

Events at Night Shift Brewing are an all-inclusive, one-of-a-kind experience.

A charming, industrial venue with world-class beers, brewery tours and tastings, we offer much more than just an event space.

Our flexible facilities are customizable for groups of all sizes and are ideal for a variety of personal and corporate events.

**SINCE 2012**, we've worked hard to establish the Night Shift Taproom as more than just a room to occupy. When you partner with our team to host your event, you're signing up for an engaging and personalized experience for you and your guests.

## RENTAL INFO

All pricing is for a three hour event.

Rental rates act as a beverage minimum for the event, and covers draft beer, wine, alcoholic seltzer and non-alcoholic beverages. Contact [events@nightshiftbrewing.com](mailto:events@nightshiftbrewing.com) for pricing and rental details.

A 5% admin fee and 18% gratuity is added to the invoice total.

# Frequently Asked Questions

## **I have guests under the age of 21. Can they come to my event?**

Underage guests are welcome to private events as long as they are accompanied by a parent or guardian. We take underage drinking very seriously, and if any underage guests are found consuming alcohol, they and their parent/guardian will be asked to leave.

## **My guests love beer and wine, but really want cocktails. Can I bring in my own alcohol?**

Unfortunately, no. Our licensing does not allow us to serve any outside alcohol, which means we cannot allow any other beer, wine, spirits, or hard cider to be consumed on our premises.

## **I have guests who are gluten free. What can they drink?**

For gluten-free guests we can offer HOOT, our alcoholic hard seltzer that is brewed in-house, wine, our natural sodas and sparkling water from our local partners. All non-alcoholic beverages are included in the price of the event rental.

## **What about food?**

We work with a variety of catering & food truck partners including:

Bonetown Burgers  
Bonetown BBQ  
Naco Taco  
Stoked Pizza Co.  
Pennypackers  
Blue Ribbon BBQ  
Rita's  
Anna's Taqueria

You're also welcome to bring in a caterer of your choice! Once you have a menu selected we can assist with day-of setup to ensure everything runs smoothly!

## **Where can I park?**

Our parking lot is located to the left of the brewery. If this lot is full, there is free street parking along Santilli Highway. For public transport, the closest T stop is Wellington Station on the Orange line, which is about a 15 minute walk.

## **Can I have music or a DJ during my event?**

Yes! Both our spaces can accommodate music or a playlist from a device. We can also accommodate a band or DJ. Please note we do not provide any sound equipment.

## **We need to use a projector/ A/V equipment / a microphone. Can you help with that?**

Yes! Both our Taproom and Annex are equipped with a projector and A/V equipment.

## **How do you take payment?**

We take 50% of the rental fee as a deposit at the time of booking. This deposit is fully refundable up to 14 days before your event. The remaining 50% is due 14 days before your event. We can take payment in person, an online link or over the phone during our Taproom operating hours.

## **You didn't answer my question!**

No problem! Send us an email at [events@nightshiftbrewing.com](mailto:events@nightshiftbrewing.com). Someone from our events team will get back to you as soon as possible. We look forward to working with you!
