

# Employee Retention Tax Credit Services

If your business was impacted by the pandemic, chances are, you're eligible to receive an Employee Retention Tax Credit (ERC). In fact, it's now easier for businesses of all sizes and industries to qualify for ERCs, even if you took a PPP loan.

MP's tax experts have assisted hundreds of businesses in obtaining six and seven figure awards in pandemic aid with minimal turnaround time and client workload. What's more, we've had **zero claims rejected!**

Our team of SHRM-certified HR and payroll consultants can offer guidance and comprehensive reporting to comply with IRS requirements. We can streamline the process, ensure you're paid the amount you're owed, and potentially help you receive your ERC as an advance.
