

HCM Platform Solutions

At the center of MP's offering is our powerful Human Capital Management (HCM) technology powered by isolved. With a single sign-on, you and your employees can effortlessly navigate the full employee lifecycle. By automating manual processes and providing a modern employee experience, your organization will not only reduce administrative costs, but also realize a significant competitive advantage.

What's more, MP offers streamlined implementation and boasts a record of 100% on-time starts, so you can rest assured that you'll be up and running quickly. And when implementation is done, we remain by your side, offering unparalleled support to ensure that you make the most of your investment.

Technology

Payroll

- Streamline payroll, even with multistate locations, taxes, garnishments, direct deposits, and more

Benefits

- Use automated batch-update features and self-service options to save hours of time

Time and Attendance

- Streamline and automate processes — while minimizing errors

Talent Acquisition

- Attract quality candidates to your platform and track seamlessly through their lifecycle as a candidate

Expense Management

- Create, submit, and approve expenses easily from anywhere

Performance Management

- Improve employee performance with built in recognition and performance management tools

Training/LMS

- Cut training costs with tracking options, data analytics, and customizable trainings

Predictive People Analytics

- Visualize key performance indicators and enable timely HR interactions
