Why Independence Beats Big Box

MP delivers powerful payroll and HR with a fundamental difference: we prioritize personal service over automated systems. While we provide the same isolated HCM technology used by industry leaders, we support it with dedicated experts who know your business. **The chart below shows exactly why our clients choose us—and why 96% stay year after year:**

 What Big Vendors Give	 What MP Delivers
Call center runaround	95% of calls answered by YOUR rep
New rep every quarter	4.4-year average team tenure
One-size-fits-all setup	Industry-specific configuration
"Check the portal"	"Let me fix that now"
Hidden fees and surprises	Transparent pricing, no games
8-week implementation chaos	Stress-free setup, 100% on-time starts

We're the Partner That **Actually Picks Up the Phone**

While we provide the same isolated HCM technology used by industry leaders, you'll work with dedicated experts who **answer your calls** (95% first-ring answer rate), **know your business by name** (not just your account number), and **build lasting partnerships** (96% client retention rate).

Four Reasons Companies Stay (96% of Them, Actually)

1

Technology That Works

The Isolated Advantage

- Complete HCM suite from payroll through performance
- Integrations that actually integrate

2

Humans Who Help

Your Team (Not a Ticket Number)

- Direct line to YOUR dedicated expert
- 95% call answer rate (the other 5% call you right back)

3

Stress-Free Setup

Implementation That Actually Works

- 100% on-time implementation record
- Expert configuration to your specific needs

4

Results You Can Measure

Partnership That Pays

- Transparent pricing, no surprise fees
- Your success metrics become our success metrics

Real Clients. Real Results.

"Our MP service and HR representatives are both helpful and knowledgeable whenever we have questions of any sort. I'm very happy they're in our corner."
